

## What We Do

Our Society's members continue to pursue activities and programmes which ensure that we remain relevant and resourceful in an ever-changing time and climate.

We are proud to carry on the vision a few gardeners had in 1914 - that of a Horticultural Society which would promote, and contribute to, the beautification of the Thornhill community.

# 2023 Thornhill Garden & Horticultural Society

Beautifying Thornhill  
Since 1914

## Who We Are

Our members have a common interest in gardening and the greening of our community through horticultural activities.

We enhance the beauty of Thornhill by:

>> Planting and maintaining plants, shrubs and flowers at several Civic Improvement locations.

>> Holding monthly meetings with expert guest speakers where our members and guests can share ideas, broaden their horticultural knowledge and find answers to their gardening questions.

>> Hosting annual Community events, including 2 Plant & Rummage Sales, the Thornhill Front Garden Recognition Programme, and a Garden Tour followed by a Members' Appreciation Tea.

Support is also given to the Richard A. Jarrell Memorial Garden at the Thornhill Village Library.

An annual Bursary is available to Thornhill students enrolled in post-secondary studies related to Horticulture or Environmental Sciences.
